

PRICING

Pricing includes all 3 seasons

12" drop in planter \$175/year

14" drop in planter \$200/year

16" drop in planter \$250/year

Delivery is \$25 per year

DISCLOSURE

This program is designed to have drop in planters delivered right to you and to sit in your current decorative planters. If you don't have pots though, the drop in planter will look great by itself. Ideally, they will just fit perfectly however there is a chance you will need some soil or mulch to help prop them up if your pot is slightly larger than the drop in.
